This Week's Reflection:

We were taught from our earliest years that charity and service to others was fundamental to our Catholic faith. We never thought we would be in this role as co-chairs, but this cause speaks to us. We can't imagine a cause more worthy than ensuring we always have a safe and inviting place to gather, demonstrate and develop our faith. We want our children to witness and learn from our sacrifice and commitment to our parish.

Memorial Gifts

One great way to support our campaign, make some of the key gifts that we need, and pay tribute to someone that you care about is through a memorial or tribute gift. In fact, there are many memorial and tribute gift opportunities available that are part of our project and campaign that give donors the unique opportunity to designate their gift to a particular portion of the project and dedicate that area or item in honor or memory of those you choose.

Let's say, for example, that you want to recognize in a special way your living or deceased parents, a child, sibling, relative or friend or maybe one of our helper priests or our current or former pastor. Simply pick a gift item from the list of opportunities available and pledge the qualifying gift amount required - either individually or by pooling your pledge with those of other family members or friends. Then the parish will work with you to develop special lettering, a permanent plate or plaque that will let people know that a special gift has been made and to whom the gift is dedicated.

This is a great way to actually make two gifts – one to the parish and one to those who you care about most.

Commemorative "Tribute" Opportunities

All gifts and pledges are deeply appreciated and will be acknowledged. Commemorative opportunities allow donors to leave a lasting legacy at Our Lady of the Lake Parish.

Major donors may wish to contribute to the *Building in Faith* Capital Campaign and choose a naming opportunity. Naming opportunities may also be gifts made in honor or memory as lasting tributes.
