### **This Week's Reflection:**

*"Thy Kingdom come; thy will be done, on earth as it is in heaven."*

In the Our Father, Jesus tells us the "Kingdom of God" is both present and future, "this-world" and "other-world."

As Christians we are called to participate in God's work of building the Kingdom in this world and in our own local area. This is not the work of just a few people, but the work of every follower of Jesus Christ.

**Are we willing to take on God's work in a very practical way?**

*O God, you have given us a good work to do, grant that we may bring it to completion with your help. Amen.*

**-Deacon Charles Corey**

### *Total Pledges to Date*

### **Volunteers are the Lifblood of the Campaign**

We are one of the largest parishes in the Archdioceses of Portland with over 3000 registered families. Given the size of our parish, over 100 volunteers will be needed to visit with parishioners face to face, to help solicit gifts for the Capital Campaign.

You will find there are many personal benefits to volunteering. You'll have a good time without taking a lot of time. You'll have the chance to work with and meet many terrific parishioners, to build new and renew many meaningful and lasting relationships, and to grow our sense of community significantly. In short, your job will be a joy and infinitely rewarding in many ways.

### **Volunteer Training**

This week we trained over 35 volunteers for the *Building in Faith* capital campaign in a simple and straightforward presentation of the campaign needs, goals and opportunities. They will begin calls and visits to parishioners this week. Please don't be discouraged if you have not received the call yet. We are trying to reach about 100 people a week with the idea that everyone will receive a visit between now and February. To assure our efforts we need many, many more volunteers who will assist us in the next few weeks. We have several orientation and training sessions scheduled in October. Please contact our Campaign Office to sign-up for your training session. You will find your effort very rewarding.

Thank you to our many volunteers:

**Derrick Drango
